Who wants a Good Head of Hair? Use Mrs. Wilson's Hair Regenerator and Hair Dressing.

Please read a few certificates from the following reliable and well known people.

MESSRS. HENRY P. WILSON & Co ... My wife is now using your Regenerator for the hair, and pronounces it far superior to anything she ever used for the hair. It is har superior to anything she ever uses for the hair. It is easily applied, does not roll in the least—has no disagree; able odor, increases the growth of hair, prevents it falling off, and often cures the headache. I forward you this certificate unsolicited, because I think an article that will do what your Hair Regenerator will, should be widely known. I think it is the best article for the hair now in use. Reprectingly, &c.

e. Respectfully, &c., Rewburyport, Ms. like the Hair Regenerator and Dressing very "I unhesitatingly pronounce it an invaluable arti-cle from the effect on my own head." S. A. Hill, wife of Rev. Henry Hill, Manchester, N. H.

"It rendered my hair soft and glossy."
Mixor Farran, Saratoga Springs, N. Y. "I feel confident that it operates NOT as a dye, but to restore the roots to their natural healthy state."

REV B. M. KELLOG, Nashua, N. H. "I most cheerfully recommend it to all persons."

REV. C. RUSSELL, Littleton, N. H. November 1. Massas. Hangy P. Wilson & Co.: I have no hesitancy

in saying, in my opinion, Mrs. Wilson's Hair Regenera-tor and Hair Decesing are the best hair preparations now in use. I shall continue to use them with pleasure. REV. H. H. HARTWELL, Lawrence, Mass.

Massus, Henry P. Wilson & Co.: I have used your Hair Regenerator and Hair Dressing, and have received great benefit from them. I deem the articles worthy of high commendation, and cheerfully recommend them to all who want to restore gray hair to its original color, or to any who are troubled with dandruft, or a disagreeable tables. fiching of the head, or humors, or to those whose hair is falling from the head.

Rev. G. W. H. CLARK, Great Falls, N. H.

MESSRS HENRY P. WILSON & Co.: I deem Mrs. Wilson's Hair Regenerator and Hair Dressing the standard articles of all hair preparations. I have, in many instances, known them to restore the hair where it had fallen off, remove dandruff, restore the hair to its original color, ours entirely the most painful headaches—and in some instances most serious humors. Personally, I have been a sharer in several of these benefits. REV. HENRY HILL, Manchester, N. H.

MRS. WILSON'S COCOA-NUT OIL HAIR DRESSING.

Mrs. Wilson's Hair Dressing is put up in large bottles, and retails for 37 cts. per bottle, and for dressing the hair of any person, young or old, there is not its equal in the world. It will make the hair everything you wish it to be, and moreover, it has a perfume that is infinitely superior to any of the fashionable extracts, either foreign or American, which alone should entitle it to a place on every lady's toilet table.

Use the Regenerator before retiring at night, and in the morning apply a little of the Dressing, and your hair will be even more lifelike in calor and beauty.

Use nothing on your hair but these preparations, and use these according to directions, and we warrant you a good healthy head of hair.

Many, since the great discovery of Prof. Wood, have attempted not only to imitate his restorative, but profess to have discovered something that would produce results identical; but they have all come and gone, being carried away by the wonderful results of Frof. Bath, Maine, April 18th 1859.

Prof O. J. Wood & Co. Gents: The letter I wrote you in 1856, concerning your valuable Hair Restorstive, and which you have published in this vicinity and elsewhere, has given rise to flumerous inquiries touching the facts in the case. The inquiries are, first, is it a fact of my habitation and name, as stated in the communication; second, is it true of all therein contained; third does my hair still continue to be in good order and of natural color? To all I can and will answer invariably yes. My hair is even better than in any stage of my life for forty years past, more soft thrifty and better colored; the same is true of my whiskers, and the only cause why it is not generally true is that the substance is weshed off by frequent ablution of the face, when if care were used by wiping the face, in close connection with the whiskers, the same result will follow as the hair. I have been in the receipt of a great number of letters from all parts of New England, asking me if my hair still continues to be good; as there is so much fraud in the manufacture and sail of various compounds as well as this, it has no doubt been basely mitated and been used, not only without any good but to absolve injury. I have not used any of the past week. I received your favor of two quart bottles last Summer for which I am very grateful: I gave if to my friends and thereby induced them to try it, many were skepticle until after trial, and then purchased and used it with universal success. I will ask as a favor, that you send me a test by which I can discover frau-I in the Restorative sold by many. I fear without authority from you. A pure ar

1st. The arrangement for broiling on the front hearth,
—an improvement overlooked in other first class stoves.

It has also the sume arrangement for brailing on top.

24. A thorough ventilation of the Oven.

3d. Introducing hot air draught to the fire chamber, thereby increasing the draught of the Stove, quickening thereby increasing the draught of the Stove, quickening its operations, and enabling it to throw out more heat—a matter much and justly complained of in other Stoves.

4th. An important improvement in the application of the damper, which throws the heat around the oven.

5th. Mach greater weight, consequently heavier plates, and more durable as well as handsomer castings.

6th. A draft damper at each end of the fire box, so that the fire is e palized, and one gridle will heat as quick as the other, also heating the oven in half the time.

7th. Fire back protected by scap-stone, so it cannot burn out.
